- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

## RESPONSE

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Develop sub-national risk-based decision making matrix for risk level assessments at states and LGAs**
- **Trained first aid workers for all religious groups in Gombe state**
- **Support provided for screening of Almajiris coming into Jigawa state**
- **Completed optimisation of Acunalysis lab in Anambra**
- **Collaborated with development partners to engage influential religious leaders in Akwa Ibom, Bauchi, Ebonyi, Kebbi, Nasarawa, Plateau, Sokoto and Zamfara states**
- Conducted high level technical meeting on the outputs of the National COVID-19 Response Mid-Action Review
- Commenced Infection Prevention and Control (IPC) training specifically for the Almajirai in Kano
- Supportive supervision provided across various mobile screening centres in Edo and Lagos states
- Activated database for tracking of Healthcare Workers (HCWs) infection throughout Nigeria
- All education materials can be found via [www.covid19.ncdc.gov.ng](http://www.covid19.ncdc.gov.ng)
