## PREPAREDNESS

Since the confirmation of the first case on 27<sup>th</sup> February 2020, the NCDC has released advisories and statements to help Nigerians and affected groups in particular to respond to the pandemic

- NCDC and the Department of Hospital Services (Federal Ministry of Health) have updated the [case management guidelines](#) (version 3) with reviewed changes such as the discharge criteria and medication being used for the treatment of cases
- Guidelines have been issued for the [safe transportation of remains of persons suspected or confirmed to have died of COVID-19](#)
- Information on diagnostics of the COVID-19 virus can be found in our [detailed FAQ document](#).
- To increase our testing capacity, NCDC has issued guidelines for the [integration of private labs](#).
- Guidelines for [businesses and employers](#) have been updated.
- NCDC has updated its [case definition](#) , [community case definition](#) and [case management guide](#).
- NCDC releases periodic [public health advisories](#) to Nigerians on the COVID-19 disease.
- To adhere to post-lockdown measures, NCDC has released an [advisory on the use of face masks](#), as well as information on the [Use of Cloth face masks](#) and [how to make your cloth face masks](#).
- NCDC has released guidelines for the [management of pregnant women and nursing mothers](#) during the pandemic.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- NCDC has released a [Self-Isolation and Quarantine Guide](#) and [Mandatory institutional guideline for returnees to Nigeria](#) to help those who are exposed to COVID-19 confirmed cases or returnees to Nigeria.
- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

## RESPONSE

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Intensified tracking of daily sample collection by states for testing and resolve data discrepancies on SORMAS**
- **Sensitisation workshop on COVID-19 IPC for Healthcare workers from Public and Private Hospitals in FCT**
- **Supervision of IPC activities in Katsina State Internally Displaced Persons(IDP) camps and Treatment Centres (TCs) across the country**
- **3 additional labs activated in Akwa Ibom, Jigawa and Oyo**
- **Ongoing optimisation of laboratories in Abia, Ekiti, Gombe, Kwara and Ondo**
- **Commenced planning for targeted community sensitisation activities in 20 high burden local Government Areas (LGAs)**
- New lab activated in Oyo State- Biorepository and Clinical Virology, University College Hospital (UCH) Ibadan
- Ongoing daily monitoring of 305 returnees/evacuees, 268 from China and 37 from other countries in the FCT
- Deployment of response supplies to all treatment centres, Teaching Hospitals, Federal Medical Centres and State Ministries of Health in the North East geopolitical zone
- Ongoing review of strategy for community engagement with all stakeholders and partners
- All education materials can be found via [www.covid19.ncdc.gov.ng](http://www.covid19.ncdc.gov.ng)
