### **PREPAREDNESS**

Since the confirmation of the first case on 27<sup>th</sup> February 2020, the NCDC has released advisories and statements to help Nigerians and affected groups in particular to respond to the pandemic

- NCDC has released *quidelines on the re-opening of places for worship*.
- The Nigeria Police Force has released COVID-19 operational guidelines for the <u>Police and other</u> <u>Law Enforcement Agencies in Nigeria</u>
- NCDC and the Department of Hospital Services (Federal Ministry of Health) have updated the
   <u>case management guidelines</u> (version 3) with reviewed changes such as the discharge criteria
   and medication being used for the treatment of cases
- Guidelines have been issued for the <u>safe transportation of remains of persons suspected or confirmed to have died of COVID-19</u>
- Information on diagnostics of the COVID-19 virus can be found in our <u>detailed FAQ document</u>.
- To increase our testing capacity, NCDC has issued guidelines for the integration of private labs.
- Guidelines for <u>businesses and employers</u> have been updated.
- NCDC has updated its <u>case definition</u>, <u>community case definition</u> and <u>case management quide</u>.
- NCDC releases periodic *public health advisories* to Nigerians on the COVID-19 disease.
- To adhere to post-lockdown measures, NCDC has released an <u>advisory on the use of face masks</u>, as well as information on the <u>Use of Cloth face masks</u> and <u>how to make your cloth face masks</u>.
- NCDC has released guidelines for the <u>management of pregnant women and nursing mothers</u> during the pandemic.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the management of dead bodies.
- For health centres managing cases, the following documents have been released- a guideline for the *Rational Use of Personal Protective Equipment in the care of COVID-19 cases*.
- As part of plans to increase the testing capacity of the country, the NCDC published a <u>National</u> <u>Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria</u> document.
- The Presidential Task Force has published policies and announcements on COVID-19 <u>available on</u>
   <u>the website of the Presidency</u> including presidential addresses, task force updates and
   information on livelihood and economic support.

#### **RESPONSE**

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- Coordinated the expansion of sample collection centres in FCT
- Weekly data quality checks and engagement with State Surveillance Officers (SSO) and state team
- Ongoing optimisation of the Shell Petroleum Development Company (SPDC) laboratory, Rivers
   State
- Conducted a refresher training on sample collection, packaging and transportation in FCT
- Launched E-Learning platform on Infection Prevention and Control (IPC) for healthcare workers
- Engaged with four states to reprioritise hotspots Local Government Areas (LGAs) for intervention
- Deployment of additional Rapid Response Team to Kano to support state COVID-19 response activities
- Continued support to states on Incident Action Plan (IAP) prioritisation and implementation
- Received a total of 87 Persons of Interest/returnees from Sudan and all were issued COVID-19 test appointments at the airport in Abuja
- Optimised and activated two GeneXpert laboratories in Abia and Kwara States
- Assessed and supported the supervision of setting up triage points and holding areas in Health facilities in Afijio Local Government Area (LGA) of Oyo State

- Trained 150 health care workers in Niger State
- Ongoing supply of Personal Protective Equipment (PPE) and commodities across the national laboratory network
- Development of a new distribution chart for states, treatment centres and federal hospitals across the country
- Conducted a coordination meeting with stateholders to align activities and optimise resources for grassroot risk communication activities
- All education materials can be found via <a href="www.covid19.ncdc.gov.ng">www.covid19.ncdc.gov.ng</a>
