- For health centres managing cases, the following documents have been released- a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Strategic engagement with States`coordination teams in the South East zone, Borno, Jigawa and Katsina on improving sample collection and testing**
- **Conducted in-depth analysis of Health Care Worker Infections and identified critical control points for targeted intervention**
- **Finalised plan on engagement of existing community volunteers to conduct house to house sensitisation on COVID-19 at the community level in collaboration with other government agencies**
- **Completed commodities distribution to State Ministry of Health in Kwara and Ebonyi**
- **Safety packs distributed to 272 returnees from China**
- One new laboratory activated- Bauchi State Reference Molecular Laboratory, Bauchi
- Deployment of infection Prevention and Control (IPC) materials to Ebonyi state Ministry of Health (SMOH), Irrua Specialist Teaching Hospital, Irrua- Edo state and Kwara SMOH, Ilorin
- Provided over 1000 CareKits to returnees in Abuja and Lagos
- Continued engagement with stakeholders on development of guidelines for safe reopening of schools
- Conducted sensitisation of returnees on Standard Infection Prevention and Control (IPC) Precautions
- Held a high-level technical session with the national laboratory and state response teams aimed at further improving turnaround time and communication of test results
- All education materials can be found via www.covid19.ncdc.gov.ng
