COVID-19 OUTBREAK IN NIGERIA

Situation Report

S/N: 013

Date: 12th March, 2020

Disclaimer – The information contained in this document is confidential, privileged and only for the intended recipient and may not be used, published or redistributed to the public

HIGHLIGHTS

This is the 13th national situation report, following confirmation of the first case of coronavirus disease (COVID-19) in Nigeria on 27th February 2020.

- On the 12th of March 2020, **two new** persons were screened for COVID-19. **No new** confirmed case of COVID-19 recorded in Nigeria
- Cummulatively, there are **two** confirmed cases of COVID-19 in Nigeria
- Apart from the index case, a total of 42 people have been screened for COVID-19 in 7 States (Edo, FCT, Kano, Lagos, Ogun, Rivers, and Yobe) out of which 41 tested negative and have been ruled out, while one, a contact of index case was confirmed positive with no death
- A cumulative total of 217 contacts were linked to the index case comprising of four contacts at the airport, four at the hotel, 40 at the workplace and 169 from the airline
- The two confirmed cases are clinically stable at the designated treatment facility for COVID-19 at the Infectious Disease Hospital (IDH) Yaba, Lagos
- Global situation: As at 11th March 2020, a total of 118,326 confirmed cases reported (68% cases in China) and 4,292 deaths. Number of countries/territories/areas affected within the last 24 hours increased by 4 countries (Bolivia, Jamaica, Burkina Faso and Democratic Republic of the Congo) making a total of 114 countries¹.
- As of 10th March, 12 of 54 countries in Africa with reported cases; Algeria, Egypt, Tunisia, Morocco, Senegal, Nigeria, South Africa, Cameroon, Burkina Faso, Togo, Democratic Republic of Congo (DRC) and Cote d Ivoire.
- WHO has described the outbreak as a pandemic

EPIDEMIOLOGICAL DESCRIPTION

- On 27th February, a 44-year old Italian citizen was diagnosed of COVID-19 in Lagos State. The case is the first to be reported in Nigeria since the first confirmed case was reported from China in January 2020. The case arrived the Murtala Muhammed International Airport, Lagos at 10pm on 24th February 2020 aboard Turkish airline from Milan, Italy. He traveled on to his company site in Ogun state on 25th February. On 26th February, he presented at the staff clinic in Ogun and there was high index of suspicion by the managing physician. He was referred to IDH Lagos and COVID-19 was confirmed on 27th February.
