PROTECTING THE HEALTH OF

HIGHLIGHTS

- In the reporting Week 08 (February 18-24, 2019) twenty-three new confirmed cases were reported from Edo(11), Ondo(2), Bauchi(1), Nasarawa (2), Taraba(4), Gombe(1), Kaduna (1) and Cross River (1) States with six new deaths in Edo (1), Ondo(1), Bauchi (1), Nasarawa (1), Taraba (1) and Cross River(1).

- From 1st January to 24th February 2019, a total of 1249 suspected cases have been reported from 21 States including FCT. Of these, 381* were confirmed positive, 15* probable and 858 negative (not a case) - Table 1. However, 1279 suspected cases have been reported from 32 States including FCT - Figure 1.

- Since the onset of the 2019 outbreak, there have been 83* deaths in confirmed cases. Case fatality ratio in confirmed cases is 21.8% - Table 1.

- Twenty-one States (Edo, Ondo, Bauchi, Nasarawa, Ebonyi, Plateau, Taraba, FCT, Adamawa, Gombe, Kaduna, Kwara, Benue, Rivers, Kogi, Enugu, Imo, Delta, Oyo, Kebbi and Cross River) have recorded at least one confirmed case across 66 Local Government Areas - Table 1, Figure 1.

- In the reporting week 08, two new health care workers were affected in Edo State. A total of fifteen health care workers have been infected since the onset of the outbreak in seven States - Edo (7), Ondo (3), Ebonyi (1), Enugu(1), Rivers (1), Bauchi (1) and Benue(1) with one death in Enugu.

- Fifty-Five patients are currently being managed at various treatment centres across the country: Irrua Specialist Teaching Hospital (ISTH) treatment Centre (27), Federal Medical Centre Owo (9), Federal Teaching Hospital Abakiliki (1), Bauchi (1), Plateau(7) and Taraba (7), Gombe (1), Kaduna (1) and Kebbi (1) - Table 1.

- A total of 4499 contacts have been identified from 18 States. Of these 1987(44.2%) are currently being followed up, 2461(54.7%) have completed 21 days follow up, while 4(0.1%) were lost to follow up. 77(1.7%) symptomatic contacts have been identified, of which 47 (1.1%) have tested positive - Table 1.

- Multi-sectoral one health national rapid response teams (NCDC, NFELTP, Federal Ministry of Agricultural and Federal Ministry of Environment) deployed to Ondo, Edo and Ebonyi.

- NCDC provided an ambulance to Federal Medical Centre Owo Infection Control Centre.

- National Lassa fever multi-partner, multi-sectoral Emergency Operations Centre (EOC) continues to coordinate the response activities at all levels.
