RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Provided guidance and supportive supervision for triaging and hand hygiene compliance in Gombe State**
- **Setting up of triaging areas in health facilities across Enugu North, Enugu State**
- **Deployment of Personal Protective Equipment (PPE) to laboratories within the national network - Plateau, Borno and Rivers States**
- **Supplied PPE and case management commodities to University of Abuja Teaching Hospital, Gwagwalada (UATH) and National Hospital, Abuja**
- **Participated in a round table technical meeting with the Honourable Minister of State for Education, State Commissioners for Education and other education stakeholders to assess level of preparedness for schools reopening**
- **Conducted a strategic meeting with states response coordination teams to strengthen subnational level response**

- Deployed an additional Rapid Response Team (RRT) to Imo State
- Finalised the Local Government Areas (LGA) hotspot strategy document
- Implementation planning for the training of state teams on surveillance
- Activated new GeneXpert laboratory in Federal Medical Centre (FMC), Owerri
- Ongoing state level IPC training in Katsina State targeting health care workers at primary and secondary health facilities
- Ongoing supply of Personal Protective Equipment (PPE) commodities to Laboratory networks across four states Abia, Bauchi, Kano and Ondo
- Held a coordination meeting with the Nigeria Governors Forum to strengthen collaboration between states' task force and state social mobilisation committees
- All education materials can be found via www.covid19.ncdc.gov.ng
