#### **PREPAREDNESS**

Since the confirmation of the first case on 27<sup>th</sup> February 2020, the NCDC has released advisories and statements to help Nigerians and affected groups in particular to respond to the pandemic

- NCDC recently published the first edition of a quick reference guide on setting up sample collection centre - A step by step guide on setting up a sample collection centre
- NCDC has launched an online course on <u>Infection, Prevention and Control (IPC) for COVID-19</u> NCDC eLearning platform
- Ahead of forthcoming elections in the country, NCDC has issued <u>Guidelines for Conducting</u> <u>Elections During the COVID-19 Outbreak in Nigeria</u>.
- To protect our elders, and those with pre-existing medical conditions, NCDC has issued an <u>Advisory</u> <u>for Vulnerable Groups</u>.
- NCDC has released *quidelines on the re-opening of places for worship*.
- NCDC has released <u>Strategies to Improve Surveillance for COVID-19 Guidance for States</u>
- The Nigeria Police Force has released COVID-19 operational guidelines for the <u>Police and other Law</u> <u>Enforcement Agencies</u> in Nigeria
- Guidelines have been issued for the <u>safe transportation of remains of persons suspected or</u> confirmed to have died of COVID-19
- Information on diagnostics of the COVID-19 virus can be found in our <u>detailed FAQ document</u>.
- To increase our testing capacity, NCDC has issued guidelines for the integration of private labs.
- Guidelines for businesses and employers have been updated.
- NCDC has updated its <u>case definition</u>, <u>community case definition</u> and <u>case management guide</u>.
- NCDC releases periodic *public health advisories* to Nigerians on the COVID-19 disease.
- To adhere to post-lockdown measures, NCDC has released an <u>advisory on the use of face masks</u>, as well as information on the <u>Use of Cloth face masks</u> and <u>how to make your cloth face masks</u>.
- NCDC has released guidelines for the <u>management of pregnant women and nursing mothers</u> during the pandemic.
- To address burials of loved ones who die from COVID-19, guidelines have been issued to advise on the <u>management of dead bodies</u>.
- For health centres managing cases, the following documents have been released- a guideline for the <u>Rational Use of Personal Protective Equipment in the care of COVID-19 cases</u>.
- As part of plans to increase the testing capacity of the country, the NCDC published a <u>National</u> <u>Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria</u> document.
- The Presidential Task Force has published policies and announcements on COVID-19 <u>available on</u>
   <u>the website of the Presidency</u> including presidential addresses, task force updates and
   information on livelihood and economic support.

#### RESPONSE

On 28<sup>th</sup> February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- Commenced testing at State Specialist Hospital, Jalingo, Taraba State
- Trained laboratory scientists on GeneXpert testing at the Federal Medical Centre Keffi, Nasarawa State
- Conducted Infection Prevention and Control (IPC) training for State Emergency Operation Centre team in Zamfara State
- Commenced perception survey to understand the perception of stakeholders on COVID-19, the risk to students and their roles when schools re-open
- Ongoing country wide deployments of community volunteers (CVs) to intensify contact tracing and active case finding supported by various partners

- Ongoing optimisation and setting up of two new private laboratories Medic-aid, FCT and Clina Lancet, Lagos
- Engaged with 19 State Infection Prevention and Control focal persons regarding the upcoming partner supported training for 916 healthcare workers from Primary and Secondary healthcare facilities in various States
- All education materials can be found via <a href="www.covid19.ncdc.gov.ng">www.covid19.ncdc.gov.ng</a>
