States including FCT are arranged in descending order by number of total confirmed cases

Red New states reporting at least one confirmed case

PREPAREDNESS AND RESPONSE

As at 27th February, the NCDC has released a couple of advisories and statements concerning a response to the pandemic

- Ahead of the Ramadan fasting period, an [Advisory for Ramadan](#) has also been issued.
- NCDC releases periodic [public health advisories](#) to Nigerians on the COVID-19 disease, and recently released an [advisory on the use of face masks](#).
- NCDC has released guidelines for the [management of pregnant women and nursing mothers](#) during the pandemic, as well [PPE recommendations during health care delivery](#).
- This is also an updated [case definition](#) for the COVID-19 Coronavirus.
- Ahead of business continuity plans, at the national and state level, guidelines for [businesses](#) and [social distancing](#) have been released.
- To address burials of loved ones who unfortunately fall victim to COVID-19, guidelines have been issued to advise on the [management of dead bodies](#).
- NCDC has released a [Self-Isolation and Quarantine Guide](#) to help those who are exposed to COVID-19 confirmed cases.
- For health centres managing cases, the following documents have been released- an [Infection Prevention and Control guideline](#) and a guideline for the [Rational Use of Personal Protective Equipment in the care of COVID-19 cases](#).
- As part of plans to increase the testing capacity of the country, the NCDC unveiled a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document as part of its efforts to scale up testing across all states in Nigeria, and expand community surveillance in Lagos and the FCT.
- The Presidency has a collection of policies and announcements on COVID-19 [available on its website](#) – including presidential addresses, task force updates and information on livelihood and economic support.

RESPONSE

On February 28th 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria – to be led by the NCDC and to coordinate with the State Public Health EOCs (PHEOC) on a nationwide response

- **National COVID-19 EOC held virtual strategy coordination meetings with Kano, FCT, Adamawa, Sokoto, Katsina, Borno, Oyo and Edo EOCs to address state specific response challenges**
- Two new labs have been added to the Lab network for COVID-19, UDU-Sokoto and ABU-Zaria
- Developed case management indicator for SORMAS
- Deployed additional response commodities and supplies to all States
- Engaged with government agencies on integration of risk communication in the planned training for Primary Healthcare workers in the country
- Validation of Cobas system at National Reference Laboratory for activation of throughput testing
- Deployment of Rapid Response Team (RRT) to support response in all states with confirmed case(s)
Currently 34 RRTs deployed
- All education materials can be found via www.covid19.ncdc.gov.ng
