In the reporting Week 35 (August 27 - September 2, 2018) five new confirmed cases were reported from Edo state with one new death.

From 1st January to 2nd September 2018, a total of 2466 suspected cases have been reported from 22 states. Of these, 497 were confirmed positive, 10 probable, 1959 negative (not a case).

Since the onset of the 2018 outbreak, there have been 132 deaths in confirmed cases and 10 in probable cases. Case Fatality Rate in confirmed cases is 26.6% - Table 1.

22 states have recorded at least one confirmed case across 87 Local Government Areas (Edo, Ondo, Bauchi, Nasarawa, Ebonyi, Anambra, Benue, Kogi, Imo, Plateau, Lagos, Taraba, Delta, Osun, Rivers, FCT, Gombe, Ekiti, Kaduna, Abia, Adamawa and Enugu). Eighteen states have exited the active phase of the outbreak while four - Edo, Ondo, Ebonyi and Bauchi states remain active - Table 1/ Figure 1.

In the reporting week 35, no new healthcare worker was infected. Thirty-nine health care workers have been affected since the onset of the outbreak in seven states - Edo, Ondo, Bauchi, Nasarawa, Ebonyi, Anambra, Benue - Kogi, Imo, Plateau, Lagos, Taraba, Delta, Osun, Rivers, FCT, Gombe, Ekiti, Kaduna, Abia, Adamawa and Enugu).

Eight patients are currently being managed at treatment Centers - Seven at Irrua Specialist Teaching Hospital (ISTH) and one at the Federal Medical Centre Owo treatment Centre - Table 1.

A total of 7217 contacts have been identified from 22 states. Of these 349(4.8%) are currently being followed up, 6761 (93.7%) have completed 21 days follow up while 15(0.2%) were lost to follow up. 91 (1.4%) symptomatic contacts have been identified, of which 33 (0.5%) have tested positive from five states (Edo -17, Ondo-8, Ebonyi-3, Kogi -3, Bauchi-1 and Adamawa-1) - Table 1.

Lassa fever international Conference registration, abstract submission and scholarships now open to the public on the conference website www.lic.ncdc.gov.ng.

Lassa fever national multi-partner, multi-agency Technical Working Group(TWG) continues to coordinate response activities at all levels.
