

COVID-19 SITUATION REPORT

BI-WEEKLY EPIDEMIOLOGICAL REPORT 12

Epi Week 39 - 40: 26th September - 09th October 2022

DATA AS REPORTED AND ACCURATE BY NCDC AS OF MIDNIGHT 09TH OCTOBER 2022

Fig 1. Distribution of cases (Epi Weeks 39 & 40, 2022 only

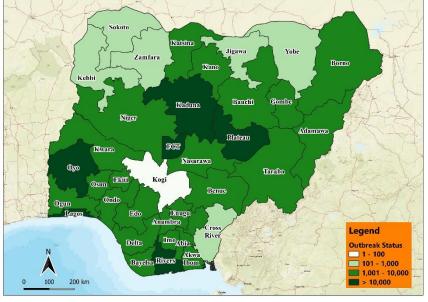

Fig 2. Distribution of cumulative cases as of Epi Week 40, 2022

HIGHLIGHTS

- In weeks 39 & 40, the number of samples tested increased to **18,805** from **16,924** reported in weeks 37 & 38. These were reported in **33** states and FCT (Table 1).
- In weeks 39 & 40, the number of confirmed cases decreased to 546 (2.9%) from 610 (3.6%) reported in weeks 37 & 38. These were reported in 14 states and FCT (Tables 1 & 2) based on RDT & PCR testing.
- In weeks 39 & 40, discharged cases increased to 872 from 281 in weeks 37 & 38.
- There was no death reported in the last two weeks (Tables 1 & 4).
- Cumulatively, since the outbreak began on Week 9, 2020, 265,651 cases and 3,155 deaths have been reported giving a case fatality rate (CFR) of 1.2% (Tables 1 & 4).
- In weeks 39 & 40, the number of inbound international travellers tested was 1,051 of which 16 (1.5%) were positive compared to 20 (1.4%) (out of 1,435 tested) in weeks 37 & 38.
- In weeks 39 & 40, the number of outbound international travellers tested was 1,742 of which 42 (2.4%) were positive compared to 141 (4.8%) (out of 2,938 tested) in weeks 37 & 38.
- Worldwide, there have been 620,301,709 confirmed COVID-19 cases with 6,540,487 deaths giving a case fatality rate of 1.1%.

*The inbound and outbound testing for weeks 37 & 38 has been updated to include additional 102 and 1063 samples respectively.

RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre EOC was activated at Level 3 which is the highest emergency level in Nigeria. This is led by the NCDC in close coordination with the State Public Health Emergency Operations Centres and through the deployment of **62** Rapid Response Teams to states. The EOC presently operates at response level 2 and current response activities include:

COORDINATION

- Ongoing review of COVID-19 restrictions and travel protocol
- Held engagement meeting with state teams on the ongoing response, challenges, and way forward.
- Conducted next phase of health care workers training on the safe use of approved Ag-based RDTs for COVID-19 diagnosis in Nasarawa State
- Ongoing preparation for enhanced risk communication and surge testing activities at the points of entry and communities as yuletide approaches.
- Integration of COVID-19 response activities into routine public health interventions such as surveillance, risk communication, testing etc.
- Continued engagement with states on weekly sitrep reporting.
- Continue to monitor global trends on COVID-19.
- Concluded review of the national guideline on case management for COVID-19
 - o Addition of Paxlovid and inclusion of pharmacovigilance
 - o Inclusion of clinical reporting for more evidence-based decision making
 - o Treatment consideration for lactating mothers etc.
 - Ongoing finalisation of the guideline
- Ongoing ISS and data collection on functionality of isolation centres across Nigeria
- Ongoing training of health care workers on the safe use of approved Ag-based RDTs for COVID-19 diagnosis
- Ongoing engagement with testing laboratories with poor testing and / reporting
- Ongoing addition of laboratories to the network (optimization/activation) on a caseby-case basis
- Ongoing COVID-19 laboratory quality performance audit for existing labs in the network. Fifty-one (51) of the 154 laboratories in the network have been audited.
- Ongoing COVID-19 Ag-RDTs deployment/decentralization
- Distributed COVID-19 RDT kits to Bayero University Kano, Federal Medical Centre (FMC) Owo & Sokoto State Ministry of Health (MoH)
- Completed Zonal Training of Trainers (TOT) on Medical Counter Measures (MCM)
 Supply Chain Management
- Conducted routine stock inventory & control management
- Reviewed COVID-19 posters developed by Water Aid to be used for campaign on COVID-19 hygiene behavioral change approach in Enugu and Bauchi States
- Ongoing discussion with WHO on the distribution of all available printed copies of Social and Behavior Change (SBC) materials to states
- Continue to integrate COVID-19 messages to activities in the states.
- Community listening and monitoring for COVID-19 updates and misinformation.
- Offsite support to state health promotion officers.

- Conducted scale-up of COVID-19 tests in US CDC supported states of Abia, Benue, Delta, Enugu, Ekiti, FCT, Gombe, Imo, Kaduna, Katsina, Kogi, Lagos, Nasarawa, Ogun, Ondo, Osun, Oyo, and Plateau
- Continued roll out of antigen based rapid diagnostic test kits in collaboration with partners
- Continued tracking and collation of data from states for strategic coordination
- Finalising report for the recently completed "Vaccine Hesitancy Study among Health Care Workers"
- Completed analysis of the just concluded COVID-19 Vaccine Effectiveness study and report will be submitted within the month
- Ongoing technical evaluation of synchronization issues on SORMAS mobile application in 18 states
- Continue to follow up with states for reports, initial samples, contact tracing and challenges.
- Ongoing enhanced surveillance at points of entry
- Ongoing monitoring and supervision of healthcare activities across health facilities
- Reviewed IPC workplan in health facilities in Kebbi State
- Ongoing routine monitoring and supervision of patient care activities in health facilities
- Ongoing integration of COVID-19 packages into other disease specific trainings and community sensitization
- Ongoing sequencing of qualified positive samples among travellers to Nigeria and positive cases detected in-country. Omicron variant remains the dominant circulating strain of SARS-CoV-2 in Nigeria
- Ongoing quarterly commodity monitoring and stock verification exercise to reconcile data across states, check available stock balance and utilisation records
- Ongoing pre-positioning of PPE and commodities at the sub-national level for labs, treatment centres, sample collection centres and other relevant facilities as preparedness for surge in cases
- Held infodemic management meeting with partners to address misinformation and disinformation challenges
- Completed stepdown Infodemic management training for subnational stakeholders in 12 states
- Develop IEC materials and messages for RDT testing
- Developed and disseminated health advisory on COVID-19 to the public
- Continue training states on demand creation for RDT testing
- Continue support to NPHCDA in the COVID-19 vaccination campaign

PREPAREDNESS

Since the confirmation of the first case on 27th February 2020, the NCDC has released advisories, guidelines, and statements to help Nigerians and affected groups to respond to the pandemic:

To control spread of COVID-19 in Nigeria, NCDC has recently issued <u>"COVID-19 Public Health Advisory Amidst Increasing Case Numbers"</u>

- Presidential Steering Committee on COVID-19 updated the Implementation Guidelines for Easing COVID-19 Restrictions: http://covid19.ncdc.gov.ng/media/files/F5 -IMPLEMENTATION GUIDELINES Ako.pdf
- NCDC revised and updated the <u>Nigeria International Travel Portal (NITP)</u>
- Presidential Steering Committee on COVID-19 updated the international travel protocol: <u>http://covid19.ncdc.gov.ng/media/files/Revised_Travel_protocol_revised_2nd_April_2022.p</u> df
- Celebrate Responsibly Campaign: <u>NCDC Intensifies COVID-19 Awareness ahead of the Yuletide</u>
- NCDC issued a press release on the detection of the <u>first confirmed cases of omicron variant</u> of SARS-CoV-2 in Nigeria
- NCDC revised and updated the <u>Nigeria International Travel Portal (NITP)</u>
- Presidential Steering Committee on COVID-19 released a press statement on <u>Revised</u> <u>International Travel Protocol into Nigeria</u>
- NCDC published COVID-19 safety guidelines for Conferences and Events in Nigeria
- NCDC issued a press release on the detection of the <u>first confirmed case of delta variant of SARS-CoV-2 in Nigeria</u>
- Presidential Steering Committee on COVID-19 reviewed and published <u>Travel advisory for passengers arriving Nigeria from Brazil, India and Turkey to include South Africa</u>
- Presidential Steering Committee on COVID-19 published <u>Travel advisory for passengers</u> arriving Nigeria from Brazil, India and Turkey
- Presidential Steering Committee on COVID-19 published <u>Implementation guidelines for phased restriction of movement</u>
- NCDC published One year of COVID-19 response in Nigeria
- NCDC and NIMR publish <u>findings of COVID-19 household seroprevalence surveys in four states of Nigeria</u>
- NCDC published a <u>Statement on variants of SARS-CoV-2 in Nigeria</u>
- The Federal Ministry of Education (FME) and partners, PTF and NCDC have developed:
 Guidance for integrated safe school re-opening 26th January 2021
- COVID-19 Health Protection Regulation signed by President Muhammadu Buhari on 26th January 2021: <u>Coronavirus Disease (COVID-19) Health Protection Regulations 2021</u>
- NCDC published an updated community case definitions for coronavirus disease 2019
- The Federal Ministry of Health and NCDC published <u>COVID-19 Patient's handbook for home-based care in Nigeria</u>
- NCDC published an updated <u>case definitions for coronavirus disease</u>
- NCDC published <u>Guidance for the use of approved COVID-19 antigen-based rapid diagnostic tests in Nigeria</u>
- Update of <u>travel protocols</u> for all travellers into Nigeria from <u>UK and South Africa</u>
- NCDC recently launched the <u>Celebrate Responsibly</u> campaign in response to the increase in cases of coronavirus disease (COVID-19) and poor adherence to public health and social measures across the country: <u>Celebrate Responsibly and Save Lives – New Awareness</u> <u>Campaign for the Yuletide Season</u>
- Ahead of the Christmas and end of year festivity, NCDC published the <u>End-of-Year Travel</u> Advisory on COVID-19
- NCDC recently launched the <u>COVID-19 blog</u> for telling the stories of Nigeria's response to the COVID-19 pandemic.
- NCDC published guidelines on 2020 National Youth Service Corps (NYSC) Orientation Camp activities in conjunction with PTF and NYSC: <u>Guidelines on 2020 National Youth</u> Service Corps (NYSC) Orientation Camp activities

- NCDC published guidance on the use of antigen RDTS: <u>Guidance on the use of Antigen</u> Rapid Diagnostic Kits for diagnosis of SARS-CoV-2 infection in Nigeria
- NCDC published guidance on safe school re-opening: <u>Public Health guidance for Safe</u> School re-opening in Nigeria
- NCDC published second interim guidance Infection Prevention and Control: <u>Recommendations during health care provision for suspected and confirmed cases of COVID-19</u>
- NCDC recently published the first edition of a quick reference guide on setting up sample collection centre - A step by step guide on setting up a sample collection centre
- NCDC has launched an online course on <u>Infection, Prevention and Control (IPC) for COVID-19</u> NCDC eLearning platform
- Ahead of forthcoming elections in the country, NCDC has issued <u>Guidelines for Conducting</u> <u>Elections During the COVID-19 Outbreak in Nigeria.</u>
- To protect our elders, and those with pre-existing medical conditions, NCDC has issued an *Advisory for Vulnerable Groups*.
- NCDC has released guidelines on the re-opening of places for worship.
- NCDC has released Strategies to Improve Surveillance for COVID-19 Guidance for States
- The Nigeria Police Force has released COVID-19 operational guidelines for the <u>Police and other Law Enforcement Agencies</u> in Nigeria
- Guidelines have been issued for the <u>safe transportation of remains of persons suspected or confirmed to have died of COVID-19</u>
- Information on diagnostics of the COVID-19 virus can be found in our <u>detailed FAQ</u> <u>document.</u>
- To increase our testing capacity, NCDC has issued guidelines for the <u>integration of private</u> labs.
- Guidelines for *businesses and employers* have been updated.
- NCDC has updated its <u>case definition</u>, <u>community case definition</u> and <u>case management</u> <u>guide</u>.
