In the reporting Week 33 (August 13-19, 2018) three new confirmed cases were reported from Edo state with two new deaths

From 1st January to 19th August 2018, a total of 2395 suspected cases have been reported from 22 states. Of these, 490 were confirmed positive, 10 are probable, 1894 negative (not a case)

Since the onset of the 2018 outbreak, there have been 128 deaths in confirmed cases and 10 in probable cases. Case Fatality Rate in confirmed cases is 26.2%

22 states have recorded at least one confirmed case across 74 Local Government Areas (Edo, Ondo, Bauchi, Nasarawa, Ebonyi, Anambra, Benue, Kogi, Imo, Plateau, Lagos, Taraba, Delta, Osun, Rivers, FCT, Gombe, Ekiti, Kaduna, Abia, Adamawa and Enugu). Eighteen states have exited the active phase of the outbreak while four- Edo, Ondo, Enugu and Gombe states remain active - Figure 1

In the reporting week 33, no new healthcare worker was infected. Thirty-nine health care workers have been affected since the onset of the outbreak in seven states – Ebonyi (16), Edo (14), Ondo (4), Kogi (2), Nasarawa (1), Taraba (1) and Abia (1) with ten deaths in Ebonyi (6), Kogi (1), Abia (1), Ondo (1) and Edo (1)

82% of all confirmed cases are from Edo (44%), Ondo (24%) and Ebonyi (14%) states

Five patients are currently being managed at treatment Centres–Three at Irrua Specialist Teaching Hospital (ISTH) and two at the Federal Medical Centre Owo treatment Centre - Table 1

A total of 7063 contacts have been identified from 22 states. Of these 494(7.0%) are currently being followed up, 6459 (91.4%) have completed 21 days follow up while 15(0.2%) were lost to follow up. 91 (1.4%) symptomatic contacts have been identified, of which 32 (0.5%) have tested positive from five states (Edo-15, Ondo-8, Ebonyi-3, Kogi -3 Bauchi-1 and Adamawa-1)

National Rapid Response Team (NCDC staff and NFELTP residents) deployed to Enugu and Edo state

Lassa fever international Conference registration, abstract submission and sponsorship now open to the public on the conference website www.lic.ncdc.gov.ng

Lassa fever national multi-partner, multi-agency Technical Working Group(TWG) continues to coordinate response activities at all levels
