RESPONSE

On 28th February 2020 a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Disseminated Community Case Definition to States and partners**
- **Strategic real-time coordination with all State response teams**
- **Activated three new mobile laboratories to expand testing capacity in three States Kano, Ogun and Delta**
- **Conducted virtual training and provided for sample collection, handling, packaging, and transport in 30 States**
- **Developed jingles on the proper use of face masks in seven local languages**
- **Engaged healthcare professionals on the ease of lockdown**
- All education materials can be found via www.covid19.ncdc.gov.ng
