- As part of plans to increase the testing capacity of the country, the NCDC published a [National Strategy to Scale Up Access to Coronavirus Disease Testing in Nigeria](#) document.
- The Presidential Task Force has published policies and announcements on COVID-19 [available on the website of the Presidency](#) – including presidential addresses, task force updates and information on livelihood and economic support.

RESPONSE

On 28th February 2020, a multi-sectoral Emergency Operations Centre (EOC) was activated at Level 3 – the highest emergency level in Nigeria –led by NCDC in close coordination with the State Public Health EOCs (PHEOC).

- **Conducted a strategic meeting with states response coordination teams to strengthen subnational level response**
- **Deployment of an additional Rapid Response Team (RRT) to Imo State**
- **Finalised the Local Government Areas (LGA) hotspot strategy document**
- **Implementation Planning for the training of state teams on surveillance**
- **Activated new GeneXpert laboratory in Federal Medical Centre (FMC), Owerri**
- **Ongoing state level IPC training in Katsina State targeting health care workers at primary and secondary health facilities**
- **Ongoing supply of Personal Protective Equipment (PPE) commodities to Laboratory networks across four states Abia, Bauchi, Kano and Ondo**
- **Held a coordination meeting with the Nigeria Governors' Forum to strengthen collaboration between states' task force and state social mobilisation committees**

- Ongoing review of contact management guidelines
- Received a total of 63 Persons of Interest/returnees from Ghana 18, UK 9, India 36 and they were issued COVID-19 test appointments
- All returnees were received, screened and given NCDC travellers kit at the airport on arrival in Abuja
- Disseminated links for IPC training modules through various networks for health care workers
- Deployment of Personal Protective Equipment (PPE) commodities to the sample collection centres in FCT
- Ongoing processing of Personal protective Equipment (PPE) requests from states and treatment centres
- All education materials can be found via www.covid19.ncdc.gov.ng
